

## Trajectories and Visions: What could the Catskills look like in 2070?

### Student Research Breakfast Agenda

---

**8:00 – 11:00**      **Lodging Checkout at Valley View House Inn**

If attending a Field Trip, check out before Breakfast

---

**9:00**                **Hot Buffet Breakfast in Pavilion Hall**

Grab a plate and head to the Pavilion Hall Loft

---

**9:00 – 9:30**        **Funder / Researcher / Manager Elevator Speeches**

---

**9:30**                **History of CERM & Student Research Breakfast**

*Speaker: Mark Vian*

---

**9:35 – 10:15**     **Fishbowl Conversations**

*A “fishbowl” is an alternative spatial arrangement for a panel discussion, where the “panel” is clustered informally in the middle of a ring of tables at which the other participants are seated. The panel discusses their work, loosely structured by a few pre-determined question prompts.*

**Student Conservation Association**

**DEP / UCCC Internships**

**Catskill Science Collaborative / Catskill Research Fellowship**

---

**10:15**                **Closing**

---

Breakfast attendees also registered for a Field Trip should head immediately to the Cafe' at Valley View House Inn for box lunch pickup and field trip assembly.
